Executive Summary

Since its evolution, the tourism industry has undergone rapid growth over the last decade. This has mainly been due to the advent of a "global" world and increasing information dissemination about the majestic sceneries throughout the world.

Message from the Chairman

Mr. Muhammad Saeed

Tourism as we all know is the World's second largest industry, and the most brilliant medium to spread cultural harmony and peace. Union Enterprises, we are versatile professionals in tourism industry, delivering high quality tourism strategies and a range of other services to clients across the globe. Founded in November 2004, we offer a wealth of specialist experience in tourism, with clients ranging from International & National bodies, international tourism enterprises, and heritage & local communities. Our mission is to combine innovative ideas and realistic solutions, with the principles of sustainable tourism.

Corporate Overview

It was the year 2004, which gave birth to the company Union Enterprises through its Chairman Mr. Muhammad Saeed, who had a vision for his Son's that after completing their studies, one by one they will get engaged in this Business. The business name "Union" was chosen with the aim that Union is Strength; the idea was to strengthen all 4-Sons of Mr. Saeed through this family business. Mr. Muhammad Saeed has been engaged with Diamond Group of Industries for the last 3-Decades as Finance Director. Mr. Saeed is also the Chief Executive of Diamond Foam Industries LLC Ras Al Khaimah UAE. As a Chairman of Union Enterprises Mr. Saeed looks after the company's overall performance and his all Sons are running the company following his guide lines.
